

The *Best Value* Traditional Series

JUBILEE CHAIR

Now available with MoistureBarrierFabric™ to protect your chairs from spills and accidents standard on our most popular fabric colors.

Available with lumbar support back, as shown, or with optional cut-away double lumbar support.

Simply, America's best value in a highly comfortable quality sanctuary seat with upgraded features normally found only on more expensive chairs!

With its 3½" dual layer virgin foam seat and generous rolled front for additional leg support and quality commercial grade fabric; the Jubilee compares with chairs costing many dollars more. The added foam in the back supports the lumbar area to accentuate the unique comfort that is hard to believe is available in a cost conscious church sanctuary chair.

Your budget committee is sure to put their stamp of approval on this one!
