

The *Best Value* Traditional Series

JERICHO CHAIR

Now available with MoistureBarrierFabric™ to protect your chairs from spills and accidents standard on our 15 most popular fabric colors.

Comes with dual lumbar back support.

The Jericho is America's lowest priced quality built sanctuary chair with all the comfort and durability you want and expect for your church seating.

The Jericho's 100% virgin foam seat with generous rolled front for additional leg support provides comfort and long term wear beyond expectations. The standard commercial grade fabric is warranted to be stain resistant to provide years of durability and good looks. The dual lumbar support in the back adds to the comfort of this economical chair you will be very pleased with for years and years.

Your church members will be pleased with the decision you have made with the Jericho chair.
