

# Document Solutions

For more than 15 years America's trusted source for **Print, Fax, Scan, Copier and Printing Solutions** for faith based organizations.

Since 1990 America's churches, faith based schools/universities, ministries and denominational headquarters have purchased several hundred million dollars of **copier, print, fax, scan and printing solutions and supplies** while receiving everyday discounts of up to 52%.

It's easy to see why the **ChurchPlaza Document Solution Program™** has become the number one choice for America's faith based organizations.

## Benefits

### Product Line

The ChurchPlaza Document Solution Program™ provides only the highest quality digital black and white and color copiers/printers, digital duplicators, fax machines, scanners and multifunction devices and supplies that are perfectly matched to the unique needs of your ministry..... AND with service and guarantees you can trust to be there when they are needed.

### Experience

We have more than 15 years of experience providing trusted document solutions to thousands of America's ministries and faith based schools. While others are providing a piece of equipment, we work diligently to provide so much more.....a trustworthy and comprehensive solution to your document management needs.

### Flexible Purchasing Program

We've created attractive monthly lease and purchase programs that will allow your ministry to begin enjoying savings and benefits right away.

### Pricing

Guaranteed National Contract Pricing that gives your individual church, school or ministry the power of a national purchasing program with everyday savings of up to 52%.

### Stewardship Commitment

We are committed to help your ministry or school redirect monies and energies from administration back to missions, teaching and ministries.

The ChurchPlaza Document Solution Program™

Providing your ministry and school with so much more than just a piece of equipment or supplies.
